

DOCTOR RECOMMENDED

"I recently sustained an ankle fracture. I got the iWALK today and I love it! I want other surgeons to know about it."
Dr. William Jernigan, MD - Orthopedic Surgeon

"I'm going to use it for myself, and for my patients"
Dr. John Jasko MD - Orthopedic Surgeon

"I was frustrated using crutches or a knee scooter. iWALK allowed me to navigate home and office with my hands free."
Dr. Robert Stanton MD - Orthopedic Surgeon
Past President American Orthopedic Society of Sports Medicine
